WORK EXPERIENCE

FormLabs, Boston, MA

January 2026 – May 2026

Print Production Co-op

- Designed and iterated a modular vacuum attachment and workflow to improve cleaning efficiency for Fuse printers
- Photographed, wrote, formatted, and published the article containing the design and workflow instructions to the Formlabs public support site for global customer use
- Supported Formlabs direct sales by 3D printing over 100 customer benchmark requests, contributing to \$986K+ in Q1 revenue across multiple product lines
- Collaborated cross-functionally with the marketing team to produce showcase parts for a major industry tradeshow, engaging thousands of potential customers and effectively showcasing the capabilities of Formlabs 3D printers and materials across a wide range of applications and industries
- Assisted the CRO with an AI translation project to research and disseminate business knowledge across the customer organization

CoachEx, Boston, MA

August 2025 – Present

Web Designer

- Defining and curating the brand identity for a mobile fitness app, ensuring consistency across product and marketing.
- Design lead with ownership over the company's website, focusing on business growth and app marketing

SandBoxNU, Boston, MA

August 2025 – April 2026

Brand Designer

- Conducting a comprehensive brand audit to identify gaps and inconsistencies, shaping the foundation for a full rebrand of Sandbox's visual identity.
- Designing and publishing social media content to increase engagement and strengthen community presence.

FounderWay, Boston, MA

July 2024 – December 2024

Brand/UX Designer Co-op

- Developed a comprehensive brand kit and redesigned the company logo to enhance brand identity.
- Collaborated with the UX/UI team to provide visual feedback and contributed to website design improvements.
- Led company marketing efforts by creating engaging content and developing strategic marketing initiatives.
